Black Series (Specialty Coffee)

R

Kopi Luwak (Civet Coffee) 450

The world's most exclusive coffee. Made from carefully selected coffee cherries that have passed through the digestive system of the civet, this unique process gives the beans a smooth, rich flavor wit low acidity.

Kopi Peaberry (Pea Berry Coffee) 320

Rare coffee bean—often called the “male bean” where only a single seed develops inside the coffee cherry instead of the usual two. This unique formation gives it a more even roast and a brighter, more pronounced flavor.

Kopi Arabica (Arabica Coffee) 140

Smooth, naturally sweet flavor of our premium blend. Grown at high altitudes and hand-selected for exceptional quality, it offers a bright aroma, gentle acidity, and a clean, refined cup every single time.
